Marathon County requests maintenance funds for an additional 0.68 miles between intersection #262 and Shawano County on the official county snowmobile map. The Hatley snowmobile club established this trail in the mid 70's but forfeited the funding because it was transferred to the Wiouwash Trail around 1990. This trail segment was originally part of Corridor 11, but Corridor 11 was moved to the Wiouwash once it was developed. This trail is heavily used as it connects Corridor 13 in Marathon County to the Wiouwash/Corridor 11 in Shawano County. Both Corridor 13 and Wiouwash/Corridor 11 have snowmobile and winter ATV funding. Marathon County previously applied to the SRC for these miles in 2015, 2016, 2017 and 2018. Winter ATV maintenance was approved by the ORV Council in 2015. This trail already meets the requirements of the snowmobile grant program.
